NATIONAL INDUSTRIAL RECOVERY BOARD,
By W. A. HARRIMAN, *Administrative Officer.*

Acting Division Administrator.

WASHINGTON, D. C.,
November 22, 1934.

REPORT TO THE PRESIDENT

The PRESIDENT,
The White House.

SIR: An application has been duly made pursuant to and in full compliance with the provisions of the National Industrial Recovery Act for amendments to the Code of Fair Competition for the Furniture and Floor Wax and Polish Industry, approved January 23, 1934, submitted by the Code Authority for such Industry, and a public hearing held on said amendments in Washington on August 17, 1934.

The purpose of these amendments is to add a further unfair trade practice, Price Discrimination, and to exclude from the provisions of the Code Export Trade.

The Deputy Administrator in his final report on said amendments to said Code having found as herein set forth and on the basis of all the proceedings in this matter:

It is found that:

(a) The amendments to said Code and the Code as amended are well designed to promote the policies and purposes of Title I of the National Industrial Recovery Act including the removal of obstructions to the free flow of interstate and foreign commerce which tend to diminish the amount thereof, and will provide for the general welfare by promoting the organization of industry for the purpose of cooperative action of labor and management under adequate governmental sanction and supervision, by eliminating unfair competitive practices, by promoting the fullest possible utilization of the present productive capacity of industries, by avoiding undue restriction of production (except as may be temporarily required), by increasing the consumption of industrial and agricultural products through increasing purchasing power, by reducing and relieving unemployment, by improving standards of labor, and by otherwise rehabilitating industry.

(b) The Code as amended complies in all respects with the pertinent provisions of said Title of said Act, including without limitation subsection (a) of Section 3, subsection (a) of Section 7 and subsection (b) of Section 10 thereof.

(c) The Code empowers the Code Authority to present the aforesaid amendments on behalf of the industry as a whole.

(d) These amendments and the Code as amended are not designed to and will not permit monopolies or monopolistic practices.

(e) These amendments and the Code as amended are not designed to and will not eliminate or oppress small enterprises and will not operate to discriminate against them.

(f) Those engaged in other steps of the economic process have not been deprived of the right to be heard prior to approval of said amendments.

For these reasons, these amendments have been approved.

For the National Industrial Recovery Board:

W. A. HARRIMAN,
Administrative Officer.

NOVEMBER 22, 1934.
